

Variables

FreeTime
HavingFun
Money
GasForTrip = 15

Comments:
Above are variables i
have declared

Morning Though Routine

Boy I'm
tired. I'd
like to call
out of
work.
Should i?

FreeTime = 10 hours
HavingFun = false
Money += (136 -
GasForTrip)

FreeTime = 18 hours
HavingFun = true
Gas = 15
Money -= (136 +
GasForTrip)

Low
On
Gas?

Fill up at gas station
totalPrice = 55

if (Money
<= 55)

To Work we go!
